Pat Jenkins Wins Administrator of the Year

Pat Jenkins, former Officials chairperson for the ASSA board, was named Administrator of the Year by Swim Alberta for her exemplary work heading up the swimming venue for the 2002 Alberta Summer Games. She was presented with the award last September at the Celebration Banquet in Red Deer.

Pat has contributed much time and effort to the sport of swimming over the years. In her childhood, she swam with the High River summer club. After later settling in Lacombe with her growing family, her competitive spirit and love of swimming was succeeded by her four children, Jill, Roberta, David, and Christine, who all joined the Lacombe Dolphins.

Unable to be a mere spectator, Pat quickly became involved in officiating at swim meets. She also served on the Lacombe board for a number of years, often acting as meet manager, and she eventually became a Provincial Meet Manager for the ASSA. More recently, she participated on the ASSA board as the Officials chairperson and often volunteers her time at swimming events both large and small, including Nationals and the World Cup.

Pat enjoys meeting new people through her continuing involvement in sports, and the Administrator of the Year award acknowledges her ability to work well with both individuals and large groups.

Congratulations Pat!

Events at the March Orientation and AGM

The ASSA 2003 swim season started up with the annual Orientation and General Meeting held on March 21 in Red Deer. Participants were treated to lunch and attended several indispensable information sessions, as well as officials and computer courses. All clubs from around the province were encouraged to send at least one representative.

The Club Executive orientation began at 9:00 on Saturday morning with an introduction to ASSA Board Members and Region Representatives. Presentations on several important topics were made, including how to register swimmers, how to prepare insurance claims, and the importance of encouraging parents to participate in Officiating. James Hood, the General Manager of Swim Alberta, was present to discuss the ASSA/Swim Alberta relationship, and the new educational requirements for coaches across the province. The operation of the ASSA Results Database was also demonstrated.

After a complementary lunch with the Swim Alberta Board at noon, Referee and Level I and II/III Officials courses were conducted for anyone who wished to improve their skills, or learn a few new ones.

The AGM began at 3:30, and reports from the Board and Region Reps were presented. A few small changes to certain ASSA bylaws were discussed and approved. Several new business items were also discussed, including the Provincials t-shirt design winners (congratulations to Taber!) and the future of the Alberta Summer Games.

The increase in club participation at the Spring Orientation was very encouraging, and hopefully attendance will continue to grow in the years to come.

Sylvan Lake 2003

July 26 will mark the 13th annual Sylvan Lake Open Water Swim, also affectionately known as S.L.O.W.. The event is open to swimmers of all ages and skill levels, and welcomes veteran participants and newcomers alike. Running on a set course through part of Sylvan Lake, the race gives competitors a chance to experience swimming across open water.

The invigorating temperatures, variable weather conditions, and occasional waves can provide some unique but enjoyable challenges to those used to swimming in indoor pools.

The course length varies with the age of the swimmer: 1 km for ages 12 and under, 2 km for 13 and 14, and 3km for ages 15 and up. A non-competitive 1 km Citizen Race is also held.

Prizes are awarded to the top male and female competitors in each age category. Last year, there was over \$1500 in prizes donated by sponsors, including four \$100 Speedo gift certificates which were awarded to the fastest 3 km swimmers. All participants receive a popular S.L.O.W. t-shirt and swim cap.

Competitors who register before the day of the race will pay a slightly reduced entry fee, but swimmers can also register the morning of July 26. For more information, or to request registration forms, contact Swim Alberta at (780)415-1780, or office@swimalberta.ca.

Upcoming ASSA All-Stars

The Swim Alberta summer provincials are a much-anticipated event for many summer club swimmers. The best swimmers the ASSA has to offer come together from all over the province to form the ASSA All-Stars, who race against their winter club counterparts.

Last year's summer provincials were changed to a 14 and under "age group" format, unfortunately making some of the older swimmers ineligible. Despite the age limitation, there were 13 participants in 2002, and amazingly, 14 ASSA All-Star records were broken. Overall, the 2002 All-Stars came in 11th out of 33 teams.

This year, in addition to the Age Group team, there will also be a Senior team, composed of swimmers 15 and up. Swimmers from both teams will have to meet "A" time standards to qualify.

Sam Montgomery, Director of Swimming at Swim Alberta, will be coaching the Age Group All-Star Team, but the Head Coach of the Senior Team has not yet been determined. Elizabeth Amer, who has been a swimmer with Keyano for many years, will be co-ordinating both teams.

The Senior Provincials will be on July 4-6 and the Age Group Provincials are scheduled for July 10-13. We're looking forward to some great performances from this year's teams!

Summer Swim Camps Around Alberta in 2003

Several swim camps will be taking place in Alberta this year, including a mini-camp organised by Mike Voytechek of the Pincher Creek Dolphins. These camps are a great opportunity for swimmers of any skill level to brush up on their strokes and improve their athletic skills. For registration information, contact the camp hosts directly.

Requirements For ASSA Coaches in 2003

A number of changes for swim coaches are being instituted this year. SN/C policy 95-96-57 (S. Montgomery/Keith Duggan), which states:

THAT ALL SWIM COACHES IN CANADA WORKING WITH SNC REGISTERED SWIMMERS, AND/OR COACHING AT SNC SANCTIONED COMPETITIONS SHALL BE MEMBERS OF THE CANADIAN SWIM COACHES ASSOCIATION AND SWIMMING/NATATION CANADA - CARRIED

passed at the October 24-25, 1996 SNC Board of Directors meeting in Whistler BC, requires that all coaches and people on deck working with swimmers must be members of the Canadian Swimming Coaches and Teachers Association. Anyone coaching this year, whether they are assistants or Head Coaches, must be registered with the CSCTA. Registration can be done online at the CSCTA website, or using the forms found in each club's spring registration packages.

Coach education is also changing from the NCCP Technical and Theory courses to Competency Based Education Training (CBET). Technical and Theory Level 1 courses will no longer be offered in Alberta, and instead, Skills Coach Courses will be taught by trained Learning Facilitators (new term for Course Conductors). The Skills Coach Course covers both technical and theory material. All ASSA coaches will be required to be certified by an Assessor as a Skills Coach within the next few years. The Assessment will be conducted on-site during a normal swim practice conducted by the coach. While coaches can be assessed without having taken any courses, it is highly recommended that coaches have completed at least Technical and Theory Level 1, or the Skills Coach Course.

If you have any further questions, please consult the CSCTA website at <http://csca.org>, or call the ASSA office at 780-454-7462, or the Swim Alberta office at 780-415-1780.

All The Comforts of Coast Include Special Rates for Swim Alberta Members
