## Alberta Summer Games 2004

On July 22-25, thousands of spectators and young athletes descended on High River and Okotoks to take part in the 2004 Alberta Summer Games. The Games are held biannually and feature a wide variety of team and individual sporting events, from golf to soccer to BMX racing, and of course, swimming. In total, seventeen different sporting competitions were held over the three-day period.

Swimming trials were conducted for each the eight provincial Zones. ASSA swimmers put in an excellent performance, and many competed with their Zone Team in High River at the Bob Snodgrass Recreation Complex. Each Zone was able to send up to thirty-two competitors to the Summer Games, including seven males and seven females from each age categories, 13-14 and 15-17 year-olds, and two female and male Special Olympic competitors.

However, sporting events were not the only source of excitement at the Games; bands and local performers entertained athletes and their families at George Lane Park in High River on Friday and Saturday night. The celebrations also featured street performers, exhibitions by local artists, guided heritage-walking tours, and a museum exhibit focusing on "A Century of Sport in the Foothills", explaining the history of the Alberta Games.

Results from the Summer Games can be found on the ASSA website: <http://www.assa.ab.ca/database>. Congratulations to all our young athletes!

## JULY EVENTS:

### ASSA All-Stars

Some of the top ASSA swimmers participated in the Swim Alberta Age Group/Senior Championships beginning on July 15 at the Kinsmen in Edmonton. Seventeen ASSA swimmers competed against many of the best winter swimmers in the province.

The All-Stars put in a very impressive performance at the meet, winning two gold, three silver, and one bronze medal. They had thirty-one final swims and 29 consolation finals, which was a great showing for the team. Thirteen ASSA All-Star records were broken, and five new ones were set.

The team also enjoyed some top-notch coaching by Swim Alberta general manager James Hood and special-events coordinator Elizabeth Amer, as well as a special Italian feast on Friday night!

### 14<sup>th</sup> Annual Open Water Provincial Swimming Championships

The annual Open Water Swim returned to Sylvan Lake on July 24 this year. Incredibly, *eleven* records were broken. Out of the one hundred and eleven entries, eight swimmers from several ASSA clubs participated. Hopefully next year will see even more ASSA swimmers enter in this one-of-a-kind event.

Prizes and trophies were awarded to the top swimmers in each event, and every participant received a t-shirt, swim cap, and a gift-bag filled with goodies.

## **CBET Coaching Requirements: An Explanation of the Skills Coach Assessment**

As most coaches are aware, coaching education in Alberta has shifted from the old National Coaching Certification Program (NCCP) model, involving Technical and Theory courses, to the Competency Based Education and Training (CBET) system. Level 1 Theory and Technical courses are no longer being offered in Alberta, and have been replaced with the Skills Coach course. Eventually, Levels 2-5 of the NCCP will be replaced by equivalent CBET courses.

However, just attending a Skills Coach course does not automatically grant certification. In order to be completely certified as a Skills Coach, every coach must be successfully assessed during a regular swim practice by a qualified Assessor.

An assessment will generally last about 3-4 hours, including the time spent watching the swim practice, and a de-briefing period afterward, where the assessor will review the coaches' performance and explain their evaluation. A coaches' knowledge of strokes, as well as his or her ability to teach skills and interact with swimmers is examined. The complete assessment process is outlined on the CSCTA website, <http://csca.org/skillscoach>.

The purpose of assessment is to ensure that coaches not only have knowledge of swimming and athletics, but are also able to effectively pass that knowledge on to swimmers.

Currently, the ASSA allows new coaches a one-year grace period in which to attend a Skills Coach course. Coaches who have completed Level 1 will have three years to be assessed within the CBET NCCP.

For more information on CBET, or to schedule an assessment, visit the CSCTA website at <http://www.csca.org>.
