SAFE SPORT

Alberta Summer Swimming and Swim Alberta provides a fun, healthy, inclusive, and safe environment. Swimming enriches the lives of everyone involved by ensuring that the training and competitive environment is one where athletes, coaches, officials, volunteers, and staff know they are safe, and are treated with respect and dignity. Swim Alberta believes that all members have the right to participate in a safe and inclusive training and competitive environment that is free of abuse, harassment, or discrimination.

All interactions between an athlete and an individual who is in a position of trust should normally, and wherever possible, be in an environment or space that is both “open” and “observable” to others.

RULES

The meet will be conducted under published World Aquatics and/or WPS rules and regulations supplemented by published and approved Swimming Canada, Swim Alberta and ASSA rules and regulations. In addition, this meet package shall outline all changes to and specific application of the published rules. Swim Alberta policies and procedures, where appropriate will also apply.

SWIMWEAR AT COMPETITIONS

All swimmers are permitted to race with the swimwear of their choosing at all competitions sanctioned by Swim Alberta. It is not required to declare the choice of swimwear to the Referee if the fabric of the swimwear is a permeable open mesh textile and would not reasonably be seen to create a technical advantage in terms of speed, buoyancy, or endurance.
